## Don't Deal With Cold Callers!

Age UK East Sussex has received reports that residents have received phone calls about the survey appointment, regarding funding for home insulation, that they did not make!

We advise that anyone interested in investing in home insulation or other energy saving measures seeks impartial advice first:

- **Energise Sussex Coast - 01424 390062**

**Remember never deal with:**

**Cold callers on the phone, or Doorstep callers.**

**REPORT - Protect others by reporting incidents.**

**If you have lost money to a scam contact your bank as soon as possible.**

**Call 159 and select your bank and report the scam**
