How you can help

Age UK Enfield is an Independent Charity established in 1985. We are not funded by the national Age UK charity and are responsible for raising all our own funds for the local services we run. Donations help us to sustain and develop our services, so please consider making either a one off donation or doing one of the following.

Regular giving - donate by direct debit from as little as £3.00 per month.

Annual giving - donate by direct debit on a yearly basis as much or as little as you can.

Gifts in wills- if you wish to leave us a gift in your will then we would be most thankful for this.

To ensure we do not have to share your gift with the national charity Age UK England please ensure that in your will you specify that the gift is to go to Age UK Enfield. Thank You.

Hold a Fundraising Event – this can be anything from a fundraising raffle to climbing Mount Kilimanjaro! If you have a fundraising idea please share it with us first so we can support you and ensure we help you to maximise the fundraising opportunity.
