

Planning for Later Life

Age UK wants to make the UK a great place to grow older. Planning for the future and putting certain things in place can provide peace of mind and security for both you and your loved ones.

As part of Enfield Connections Age UK Enfield are offering free Planning for Later Life Awareness Sessions for people 50+ or carers of people aged 50+.

The Awareness Sessions will cover the following ...

- Making a will
- Power of Attorney
- Advanced Decisions/Statements
- Bereavement Services

You will have opportunities to ask questions, information and leaflets will be available to take away and refreshments will be provided.

Free to attend.

Awareness Sessions will be held in varying locations within the London Borough of Enfield.

We also offer 1-1 individually tailored support for people with life-limiting conditions.

Please contact Kate Reader, Later Life Advisor for more details and/or to book your place on an Awareness Session
