

Living Well- Dying Well Are You Ready?

Dying
Matters

Let's talk
about it

If you or someone you are caring for has a terminal or life limiting illness, there may be many questions and choices that you need to be thinking about.

Have you made a will, or think you might need a Lasting Power of Attorney? Have you told your loved ones about your future care and wishes? Do you know what is involved in the planning for later life or end of life?

Come to this informative event which will give you peace of mind, equip you with the right information and put you in touch with organisations that can help you make some choices.
