

Gender Pay Gap Statement 2018

Age UK Essex are publishing our second set of Gender Pay Gap figures in line with Government Regulations. The regulations are broad in scope and require us to identify differences in pay between male and female workers across the entire workforce regardless of job role as follows:

Mean Pay Gap 5.7%

- Female (B)
- Male (A)

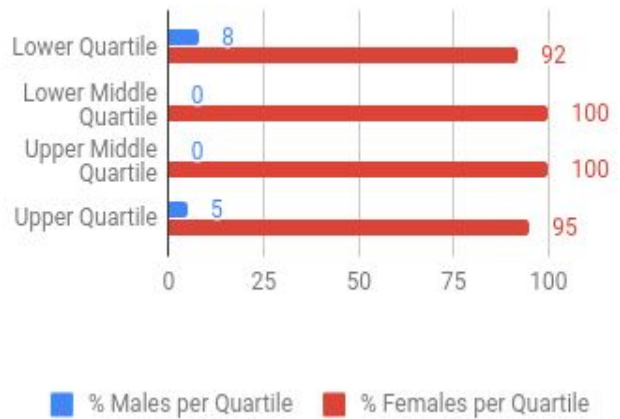

Median Pay Gap 0%

- Female (B)
- Male (A)

% Males and Females per Quartile

Age UK Essex approach to equality of pay is to evaluate each role and award remuneration based on the requirements of the role regardless of gender of the member of staff in the position.

On the snapshot date of 5th April 2018 our workforce consisted of 97% Female and 3% Male.
