

Living With & Beyond Cancer

Within Newcastle & Gateshead

A new project from Age UK Gateshead working in partnership with Macmillan and the NHS to help people who are diagnosed, are receiving treatment or have recovered from cancer.

See reverse for more details

Charity Reg . 702561

Offering people within Newcastle & Gateshead who have been diagnosed, are receiving treatment or have recovered from cancer, the opportunity to have a holistic needs assessment . That is designed by the Macmillan Cancer Support Service, to ensure that their physical, emotional and financial needs are being met. This would entail working one-to-one with a key worker to devise a care plan where needed.

We can help with:

- Physical concerns
- Practical concerns
- Emotional concerns
- Family/Relationship concerns
- Lifestyle or information needs
- Spiritual or religious concerns.
- Personal Wellbeing
