

Garden Party Event Volunteers

This year we are hosting a Summer Garden Party at Highnam Court on Sunday 17th July 2022! The event will be open to the public from 2pm until 5pm on the day and is open to all the family. It's set to be a great event with lots going on, including live music, refreshments, children's activities, garden games and more. You can read more about the day at <https://www.ageuk.org.uk/gloucestershire/activities-and-events/garden-party/>

If you're looking to enjoy a shorter spell of volunteering, with a mix of roles this could be a great opportunity for you!

Role Overview:

In order to make the event a success, we are looking for volunteers to help with various tasks before the event, during and afterwards. There's a selection of roles we are looking for support with, our aim is for volunteers to work in shifts, so that everyone has time to enjoy the party as well. Help of any kind is welcome, let us know how much time you have to give.

Spreading the word -

Leaflets and posters have been created to publicise the event, the delivery of these to various locations is needed as soon as possible.

Setting up -

On Friday 15th July we will be setting up as much of the event as possible. This will involve moving equipment, erecting gazebos, setting up stalls, refreshment area organised and general preparations.

Catering -

On Sunday 17th July we will need people to be preparing and serving tea, coffee and cake. There will be a system for collecting used cups and washing these to be used again. If you are a keen baker and would be able to contribute a cake this would be very much appreciated!

Help around the event -

The entrance to the event will need people greeting visitors, checking tickets and taking payments. We will be selling raffle tickets throughout the day and generally guiding people around the area. There will be stalls to run such as our childrens activities area and our vintAGE youth club with garden games. More stalls will be confirmed as we approach the event.

Breakdown -

General tidying up at the end of the day, packing away stalls, gazebos and removing equipment.
