

Age Cymru Gwent Christmas

Gift Box Appeal 2019

Age Cymru is once again appealing to the public to fill a wrapped shoe box with gifts, in our aim to help make Christmas a special time for older people living within care homes.

In line with our ethos 'No one should have no one to turn to', and many care home residents having no close family to visit over the festive period, we hope that having a gift to open may make a huge difference.

How you can help

- Find a shoe box - Wrap the box and lid separately in Christmas paper, or you can use a festive pre-printed box.
- Fill with gifts – See our suggestion list below
- Attach a label marking whether your gift is for a male, female or generic.
- Please **don't** include personal information about yourself.
- Deliver your gift box – Please do not seal your gift box but place a rubber band around the closed box. You are now ready to deliver your gift box to our team at Age Cymru Gwent, 12 Baneswell Road, Newport, NP20 4BP. Please ensure all boxes are delivered to us by **Friday 6 December 2019.**

If you require any further information then please contact us on 01633 763330
