

Media Consent Form

Photographs, Filming, Recordings and Case Studies

At Age UK Herefordshire & Worcestershire (Age UK H&W) we like to share the stories of real people who use our services to help demonstrate what we do and how it helps older people.

We may use your story in different ways across our communication channels. This could include printed marketing and fundraising materials, emails, social media and our website. We'll check that you're happy before using your story in any way.

I give Age UK Herefordshire & Worcestershire consent to use my story (including written, audio, video or photo formats) and to contact me about it when needed.

Sometimes, the Stories and Media teams at National Age UK (registered charity number 1128267) may want to talk to you about your story. We'll always check that you're happy before sharing any information with National Age UK. I give Age UK Herefordshire & Worcestershire consent to share my story and contact details with the Stories and Media teams at National Age UK following confirmation from me that I am happy with sharing my information.

We sometimes work with journalists and trusted third parties who may want to use your story or refer to it in projects, newspaper articles, on radio or on TV. We'll always check that you're happy before sharing any information with journalists or third parties. I give Age UK Herefordshire & Worcestershire consent to share my story and contact details with journalists and trusted third parties following confirmation from me that I am happy with sharing my information.

If you would like to share your story, but remain anonymous, please tick the box below.
