

# The Big Knit is back!

Join us for this year's Big Knit campaign by knitting mini hats!

The 2020/2021 campaign is underway and we need your help to get to our target of 6000 hats!

## How you can get involved:

1. Grab your knitting needles and any colour wool
2. Follow the big knit patterns to make your creations
3. Once you've completed your hats, send them in the post to our Malvern Gate office. Ensure to enclose your name, how many hats you've knitted and our consent form so we can send you a thank you!
4. You can also drop your hats in our Big Knit box at Sainsburys St Johns in Worcester. Please be sure to pop them in a bag or envelope and let us know how many you have dropped off by contacting us.

Find out more on our website or by contacting us:
