Who are Age UK Herefordshire & Worcestershire?

We're a local charity supporting older people, their families and carers in your community.

Our aim is to make Herefordshire & Worcestershire a great place to grow older.

There are lots and lots of ways you can help support the work of Age UK Herefordshire & Worcestershire from dress down days to running relays!

Did you know?

We help over 25,000 older people across Herefordshire & Worcestershire!

Our information and advice team helps over 5,500 older people each year!

We've supported over 3,500 older people living with Dementia.

Every penny counts!

Could provide tea and biscuits for the members at our Drybridge Centre.

Could help an older person access additional income and support.

Could provide 10 pieces of activity equipment at our one of our meeting centres for people living with Dementia.

Could provide 20 Older People with regular phone calls for a whole year, to make people feel less lonely.

Don't forget to contact us to tell us what fundraising you are getting up to!

Why we need your help!

Every year the amount of older people we need to help grows.

This means we need to raise more funds to help us do that.

That's where you come in!

How do we already help people?

We help older people to feel confident using their phones, laptops and tablets!

If someone needs help when they come out of hospital we give them support at home.

We help older veterans in a variety of different ways.

Our Help at Home assistants help older people with jobs around the house.

We give older people information and advice on lots of different things which will improve their life.

We help older people to learn how to live well with Dementia.

Our Handypeople carry out a range of DIY jobs at older people's homes.

We help lonely older people to reconnect to life.

We cut lots of older people's toenails to help them to stay healthy!
