

International Community Event

Music, Food & Connection

This vibrant International Community Event at Victoria Hall, Harrow, on 24th June, celebrates culture, connection and togetherness.

The afternoon will feature music from around the world, including reggae rhythms, Bollywood beats and feel-good favourites, alongside dancing, delicious international food and a warm, welcoming atmosphere.

Designed to bring people of all ages and backgrounds together, the event encourages dancing, social connection and fun, while supporting older people to stay active and helping to reduce loneliness. It's a feel-good community celebration where everyone is welcome to take part, relax, connect and enjoy being part of something positive.

Alongside music and food, there will be a tombola, live auction and an Age UK HHB pop-up retail shop, offering something extra to enjoy on the day.

Our food will include meat, vegetarian and vegan choices.

Book your tickets online today using the link below or by calling our Community team on **020 8756 4391**.
