

Statement of Commitment to Safeguarding

Age UK Hillingdon, Harrow and Brent and its partner organisations are committed to safeguarding and promoting the welfare of all older people and children within the 3 London Boroughs.

This commitment is promoted by all members of staff and volunteers who work for Age UK Hillingdon, Harrow and Brent. The promotion of the welfare of all older people and children is integral to the work that is undertaken and the services that are provided. The commitment to the safeguarding agenda is evident by the organisations involvement in, and contributions to, the work of the Safeguarding Adults Partnership Boards of Hillingdon, Harrow and Brent.

Neil Franklin
Chair of Trustees
