

Could your business be our next charity partner?

Whether your company wants to get involved a little - or a lot! - we can work together to support vulnerable, older people across the Horsham District:

Get a team of staff sponsored to take part in a challenge event (run, walk, cycle, swim or skydive)

Help us to promote our events, fundraising activities and information about our services

Collect used Stamps, multi-pack biscuit wrappers, keys and other recyclable items

Hold a fundraising event for us

Staff volunteer their time help at our events such as Strictly Vintage and our Christmas Extravaganza

Donate prizes for our raffles and events

Have one of our collecting tins at reception/in communal areas
