## Remember Age UK Horsham District in your will

***'One of the ways in which people choose to support us is by leaving a gift to Age UK Horsham District in their will.'***

Your legacy can make a real difference to an older person in need. It could help:

- older people visit our Day Clubs to meet friends, have a good meal and be involved in activities
- provide information & advice to someone struggling to access benefits and allowances
- supply support and companionship to someone unable to leave their home.

A gift of £1,000, for instance, would mean we can help many people improve their lives by guiding them to obtain the benefits and allowances which make a real difference to the quality of life.

When arranging a legacy, some people prefer to say exactly where and how they would like their gift to be used. Others leave the decision to us, knowing that the needs of our members and clients can change over time.

## How to leave a legacy to us

You can leave us a specific sum of money or an item. You can leave a share in, or all of, what's left of the estate after all bills have been paid and other legacies have been distributed.

Every legacy is gratefully received, no matter how large or small.

If you already have a will, it's quick and simple to include a gift to Age UK Horsham District. You won't need to rewrite your will; a solicitor can draft an amendment (called a codicil) for a minimal cost.

There is suggested wording to amend your will in the next column.
