About Older Peoples Day

The **1st of October** is National Older People's Day and coincides with International Day of Older Persons. You can get involved with National Older People's Day and help celebrate the achievements and contributions that the ageing population make to our society and tackle the negative attitudes, outdated stereotypes and support issues that affect their lives on a day to day basis.

Who are the Older People's Partnership Hull and East Riding?

The Older People's Partnership Hull and East Riding is a registered charity since 2017 who are champions of older people in our region.

Working across Hull and East Yorkshire, this multi-agency partnership promote the needs of older people, coordinating and improving existing services in the region.

The event is to engage with older people and help signpost into services and organisations who provide help and support in the Hull and East Riding areas.
