

# Help shape our future

## Join our Board

We are looking for committed enthusiastic and highly motivated individuals, who can share their time, experience and skills to make a difference to the lives of local older people as set out in our vision and values.

Previous board experience is not essential but enthusiasm to support the organisation deliver on our vision mission and values are essential.

The board has identified some additional skills that would particularly complement our current team and help us develop in the future, which include marketing and media skills, campaigning and fundraising, community engagement and social value. However, these are not essential.

### Our Vision

- Involve all users in the design of our services

**Our aim and purpose is to ensure that all people aged 50 plus have the opportunities to make the most of later life, whatever their circumstances, wants and needs.**

Your role as a Trustee is to work with other Trustees as part of a team, providing leadership, strategic direction and collective responsibility for robust governance to ensure the charity is running effectively and efficiently and delivers benefit and value. All Trustees are volunteers and the positions are unremunerated.

The time commitment required is typically around 4 hours per month including:

- **attendance at our board meetings which are held every month, with time in between to respond to emails and read board papers and generally prepare for the meeting.**
