

Setting up a Direct Debit

Supporting older people in later life

MAKE A LASTING IMPACT

Support Age UK HEY with a Direct Debit Donation

At Age UK Hull and East Yorkshire, we're committed to improving the lives of older people by providing essential support, friendship, and practical help. But we can't do it without you.

Only 40% of our services receive funding—the rest depend on generous donations. Right now, we're spending more than we have because we refuse to let older people go without the help they need.

By setting up a regular Direct Debit donation, you can make a lasting impact. Even a small monthly contribution helps fund vital services like befriending calls, social activities or benefit advice, ensuring no one struggles, feels alone or forgotten.

MEET OUR CLIENTS

Keith and Donna

When Donna's children grew up and her home felt a little quieter, she decided to become a befriender at Age UK Hull and East Yorkshire. That's when she met Keith, a 79-year-old man who told us he felt deeply lonely and just needed someone to talk to.

From the moment they were matched, their shared interests sparked a connection. Over the past three years, their bond has grown into something truly special—more than just friendship. Donna now considers Keith part of her family, and neither of them can imagine life without the other. What began as a simple act of kindness has become an irreplaceable part of both their lives.

Geoff

Geoff started attending our social groups after the COVID-19 restrictions were lifted. It was there that he first learned about the benefit support available through Age UK Hull and East Yorkshire.

With the help of our Information and Advice team, Geoff was able to claim everything he was entitled to, putting him in a much more comfortable financial position.

He can now afford walking aids and taxis, giving him the freedom to get out and about—something that once felt out of reach.
