Well done to last month's winner- Pat Keeler

November 2019

Hello all,

It has been a while since I have put together the newsletter, so I am delighted to be able to share November's edition with you.

There is lots to cram in as we get ready for the festive season, I hope you will enjoy all that we have planned and always remember we love hearing from you. If you have any ideas of activities or outings you fancy, then please share!

With the weather poor why not take advantage of our home meal delivery service's free trial- If you have never had a meal before, you can try one for free. Available 7 days a week, 365 days a year and delivered hot to you at home.

Equally, if you have home meals, but have never visited the centre, why not pop in for some company- we also offer a free day that includes transport, so why not come along and see what it is all about one day? You will find a friendly and welcoming environment and might be surprised at the friendship groups and support you find.

Further in the newsletter you will see information regarding the Kent County Councils consultation for wellbeing service. We would really appreciate your time to complete a short anonymous survey that effects how vital funding is provided to organisations such as us!

Please don't forget to get booked in for our Christmas party. If you are a centre user or if you use one of our home services, feel welcome to join in what is always a fantastic day.

Kind regards,

Hayley.
