

Celebrating Age Awards 2018

The Celebrating Age Awards has been created by Age UK Isle of Wight to honour the wonderful older people of our Island and all of the good work that they do.

If you know an individual, or a group, who are over 50 and have dedicated time and effort to making the Isle of Wight a better place to live, helped out in their community, who has inspired, created, and accomplished something amazing then we'd love to hear about them.

You can help celebrate their achievement by nominating them for a Celebrating Age Award in one of the following categories by simply filling in the form overleaf:
