

Digital Friendly Pledge Independent Arts

Our Digital Pledge:

- We will help people to use our digital services.
- We will design our digital services to be accessible.
- We will train our staff to provide help to use our digital services.
- We will signpost our volunteers and participants to other Digital Friendly Island organisations who can provide further support.
- We will display the Digital Friendly Island logo.
- We will provide an inclusive service that offers an alternative to digital access.

Our Digital Offer:

- We will endeavour to make our website age friendly.
- We will help people to access our services online if they would like to.
- We will share easy to understand instructions for basic digital skills where needed.
- We will try to help anyone who feels lonely or isolated to get connected so that they can safely enjoy the benefits that digital connectivity brings.
