## Create Willow Animal Sculptures!

We invite older artists to come and learn how to weave willow into animal sculptures inspired by the historic Caledonian cattle market. Some of the sculptures will be sited in plant beds outside the Cally Cafe. We will also look at other examples of willow weaving in London and try weaving different plant materials.

### When?

Thursdays 2-4pm, April 7th to the 2nd June 2022, Cally Clock Tower Centre, Caledonian Park
