19th March

Potato kugel: St Patrick's day meets Passover potato comfort food feast.

More dates tbc

Please contact judy@globalgeneration.org.uk for the zoom link or call 07747 829 249

Global Generation is a local environmental education charity, that has been working in Islington and Camden since 2004. We were based at the Skip Garden in Kings Cross until 2019 and are now nearby at Story Garden behind the British Library. We have been running the Friday Night Out Project for 3 years, working with Islington families running cooking, planting and craft activities. We have now gone online and are running free activities throughout the year for older people over Zoom.

**GLOBAL
GENERATION**

ISLINGTON

**We are hoping to become The Friday Night Out Project at some point this year. Once lockdown ends we hope these can take place at the Story Garden or at a local community centre. www.globalgeneration.org.uk*
