

Volunteer Journey

Voluntary Action Islington is capturing stories from volunteers about their volunteer journey. We are keen to show volunteering in all its guises with a wide range of ages and ethnicities etc. and different roles.

We would like to include a regular update of volunteer stories on our website and social media as well as using them to celebrate volunteering during Volunteers' Week 1st – 7th June 2021. This will also promote your organisation and your volunteering opportunities.

If you think that any of your volunteers would be happy to have their volunteer story told please ask them to complete the form, and send a photo.

Please check this box to declare that you agree for your story and photo to be used by Voluntary Action Islington and its partners in relation to volunteer celebration and promotion.

Name:

Age:

Which organisation do you volunteer with?

What do you do?

How often?

How did you find out about the volunteering opportunity?

When did you start volunteering?

What was the reason that you started volunteering?

What is it you enjoy about volunteering?

What is it you get from volunteering?

What are you hoping for the future?

Anything else that you want to say

Thank you for taking part. Please send this form, along with a photo (doing your volunteering if possible) to kkelleher@helponyourdoorstep.com
