Join IBA's community conversation about the Covid-19 vaccination

Covid-19 has effected all communities over the last year, and we know that people want to understand more about the vaccination that's being offered to everyone.

**Join the Executive Director of IBA
Asad Choudhury
on Thursday 25th February
for an informational workshop
about the vaccine, which will be delivered in Bengali.**

We would like to address, and ease the worries in our communities by having a conversation with you, and answering any questions you may have.

Date: Thursday 25th February 2021

Time: 3:00pm - 4:00pm
