

Are you an unpaid carer* for a UCLH patient? Do you want to help deliver UCLH's vision and make a difference for patients?

If so, being a Governor could be just the role for you!

This year we are seeking an enthusiastic person for our Patient Carer Governor vacancy. Governors play an important role ranging from being involved in improving the patient experience to appointing members of the Board of Directors. You do not need any particular skills or experience; the most important requirement is an interest in UCLH and the time and commitment to help us deliver our vision. You should also have enthusiasm and a willingness to represent not just your own views but the views of the people who have elected you.

We are holding an event** for members who are interested in standing for Governor on **Wednesday 3 May, 5-6pm at 250 Euston Road**. You can find out more about the role, the process to apply and speak to a current Governor about their experience. Spaces are limited due to venue capacity, so please register to attend at uclh.members@nhs.net

You must be registered as a member of UCLH to stand as a Governor. Membership is free and you can sign up online: www.uclh.nhs.uk/members
