

DISCOVER-ME PROJECT

We warmly invite you to develop your story telling, creativity and communication skills.

Women from minority ethnic, refugee or migrant backgrounds aged 18+ from Camden, Islington and neighbouring boroughs are invited to apply to join Laamiga's online Discover-Me project.

The programme runs as **monthly online sessions 6.30-8.30pm starting Monday 12 June.**

You will work with women like yourself to untangle your unique story of settlement and personal development through online workshops and mentoring support. These gentle, supportive sessions will help you to 'discover me', seeing the beauty in the intricate pattern of your life. You will grow and become clearer and stronger.

So come along and express yourself and step into your power
