

Arachne Greek Cypriot Women's Group

Introduction to jewellery making

Course Dates: 04/03/24 & 11/03/2024

Time: 10:30-12:30pm

Location: 13-15 Hercules Street. London N7 6AT

During this course you will design and make beaded jewellery and learn the technical and design skills to make necklaces, bracelets and earrings in several styles.

You will also learn how to be creative with beads, how to use jump rings and how to use different tools and metal findings.

You will learn:

- Crimping
- Threading
- To use jump rings
- To use hooks and clasps

You will make:

- Beaded Earrings with cluster beads
- Necklace with metal silver charms
- Bracelet with chain and beads
- Key Rings/handbag charms

Suitable for: those with no previous experience. A great taster for those taking their first steps into the creative field.
