Subject: The Prince's Trust - Weekly Update (25/08/2022)

SPOTLIGHT

Explore (16-25)

Come and learn new skills, develop confidence, and identify and set your own goal on our 8-week personal development programme. You will take part in a range of activities sports to drama and photography to cooking, helping you to learn and gain the skills that will support you to move forward into work, education, or training.

This programme offers group activities, one-to-one support, employability sessions and skills development to help young people build confidence, get motivated, meet new people, and identify and achieve their goals!

Main Programme: Monday 5th September – Friday 28th October

Location: The Prince's Trust Morgan Stanley Centre, Poplar

How to sign up: Email **Natalie** – Natalie.Strange@princes-trust.org.uk

Ant & Dec's Making it in Media (16-25)

Ant & Dec's Making it in Media programme with The Prince's Trust has partnered with media and TV specialists to give you an insight into what happens behind the scenes. You'll learn about a broad range of practical skills and insider knowledge through masterclasses on topics such as script writing, camera work, lighting, video editing and more. This course is a great opportunity to explore what it takes to make a TV show and to learn more about the range of careers available in the media and entertainment industries. As well as all of the above, this programme also gives you the chance to:

- Gain hands-on experience and training
- Meet industry experts and gain valuable advice
- Make your own mini-TV package and showcase it at our celebration event
- Opportunity to interview for variety of media roles exclusively for those that complete the programme!

This course is designed for young people with no previous education or experience in media. To be eligible, you must not have studied media or related subjects at college or university level.

Taster Day: Tuesday 30th August

Main Programme: Monday 5th – Friday 16th September

How to sign up: Call **Customer services** on **0800 842 842**

Welcome Session (16-30)

We are hosting fortnightly welcome sessions for young people who want to find out more information about The Prince's Trust and our opportunities. These will be held through Microsoft Teams in a video conference format. Young people can watch the presentation and get involved as much as they want. Afterwards, a staff member will follow up 1:1 and progress them onto our programmes.

When: Thursday 8th September

Where: Microsoft Teams

How to sign up: Call **Customer services** on **0800 842 842** or [Submit details via MS Forms here](#)

Get Into Cyber Security with Althaus Digital (18-30)

Would you like to explore a career in Cyber Security? It is one of the fastest growing sectors in the digital economy with roles having great salaries and progression opportunities! This programme is the first phase of a pathway through to sustainable employment and career progression in Cyber Security, working with Althaus Digital and the Chartered Institute of Information Security (CIISec).

This programme will lead to paid apprenticeships and further training.

The programme will cover:

- Key concepts of Cyber Security and its importance
- Common threats to security systems
- Protection strategies
- Different types of software and hardware

You don't need previous experience or qualifications, but it is important you have an interest in cyber security. Also due to the nature of the work if you have a criminal record, please let us know as this will need to be checked.
