

Hospital Aftercare

Assisting you with discharge home from hospital
and following a hospital stay or period of illness

What do we do?

We provide practical and emotional support to help you remain independent and in your own home

Who we can help

We can offer support to any adult (18+) who has had a hospital stay or a period of illness, who needs our help.

We are able to support those who are being discharged from hospital or need support at home which may avoid a hospital admission.

Duration of service

Support is time limited and tailored to your assessed needs.

How we can support you?

- Transport may be provided on discharge from hospital if you need settling in at home
- Help with essential shopping
- Emotional support to regain confidence
- Preparing refreshments
- Assisting with light domestic tasks

Your choice

We will offer support that is tailored to your assessed needs.

Cost

This is a free service - there is no cost to you.

Benefit entitlement

The service is designed to complement any statutory services that you may be receiving and will not affect your benefit entitlements.
