Dementia Hub Online

Launching on
19th May!

3rd Wednesday of each month
2.00 - 3.30pm

The Dementia Hub is a unique, virtual community based service for people living with dementia, their families, friends and carers and anyone who may have concerns about their memory.

A wide range of professional people and organisations will be online to offer help and advice.

Our Dementia Community Links Team at Age UK Lancashire will facilitate these sessions and welcome our partner organisations/individuals to participate over the coming months.

All welcome, please make a brew and be ready just before 2pm.

Available to people living in Chorley, South Ribble & West Lancs

Accessed via Zoom

Support is available to help you access the Hub online
