

RO2 - Volunteer Opportunity – PAT Tester

Are you friendly? Do you want to feel a sense of achievement? Are you able to change a plug?

Description:

Whilst volunteering at our AUKL Shop, you will be supporting in the stockroom, reviewing and evaluating donated electrical items. You will be required to take an on line PAT qualification that enables you to test electrical items to ensure that they are safe to use and sell in our shops. You will enjoy being part of a friendly team of volunteers and with the support of Shop Management give you a sense of accomplishment and giving back.

What experience / skills are needed? (training is provided)

- No retail/stockroom experience is necessary, just a friendly personality, who likes to help others
- An organised and methodical approach
- Good dexterity of hands

PC use required

Driving required

Possible Tasks

- Sorting out donations into saleable and non-saleable items.
- Testing electrical donations for safety
- working in the stockroom and helping to keep it tidy and organised
- Adhere to all AUKL confidentiality, data protection and Information Governance procedures.

What you can expect from us:

- To be part of a friendly and helpful team
- Training necessary for your role
- Out of pocket expenses
- A named person to support you in your role
