

Dementia Community Links

Supporting people and families living with dementia to maintain independence, build confidence and improve wellbeing

Do you or someone you know, live with a memory concern or have a dementia diagnosis?

Our Dementia Community Links service could help you retain your independence and enjoyment of life.

This free service provides support to those living with memory difficulties and their carers, helping to reduce social isolation and maintain independent living.

Our trained support workers will spend quality time with individuals and can offer:

- One-to-one practical and emotional support
- Encouragement to maintain and redevelop hobbies and interests
- Opportunities to be involved in social activities
- Help to regain self confidence and a positive self image
- Enhance wellbeing
- Carer support, respite, advice & guidance

Who can use this service?

The service is available to anyone with a dementia diagnosis or concerns about their memory, living within the West Lancashire, Chorley & South Ribble areas.

How can the service be accessed?

Anyone can access this service through self referral, health professionals or relevant organisations.

We aim to provide information and support to anyone aged over 50. Our friendly and professional team are on hand to assist with any issues or concerns you may have.
