Caring Together Annual General Meeting Friday 10th November 2023 at 11am–1pm Caring Together—Charing Cross, 127 Woodhouse Street.

We are delighted to invite you to our first 'in-person' AGM since the pandemic and also the first to be held in our own premises.

This is your chance to receive a copy of our annual report and accounts and to hear about what has been happening over the last year and our plans for the future.

It will be a fairly short formal meeting followed by refreshments and a chance to socialise.

We do hope you will be able to join us at our AGM. Please RSVP to help us plan the catering etc.

Being a FORMAL member of Caring Together and voting at our AGM

You are probably aware that Caring Together is a registered charity and we refer to the people we work with in the local area as our members. We are also an incorporated organisation known as a Company Limited by Guarantee. All our members and supporters are able, if they wish, to become a formal member of the company. This means you are able to vote at our Annual General Meeting. It also means that in the unlikely event of Caring Together ceasing to operate with unpaid debts you would be responsible for paying **£1** towards them.

Many of you will already be formal members, if you don't think you are and would like to become one, or if you just want to check, please contact Valerie, before 8th November.

Everyone is welcome to attend our AGM, so you don't have to be a formal member of the company to come along but only formal members can vote.

Please also note that whether you choose to become a formal company member or not makes no difference to receiving support, advice or services from Caring Together

Leeds Black History Walk

Discover, with Joe of Heritage Corner Leeds, unseen ancient and local narratives with African connections. The guided walk provides informative perspectives on historical facts, to provoke questions and/or reflection.

The Leeds Black History Walk was launched in 2009 by Joe Williams, as part of a Chapeltown community initiative with the Leeds Bi-Centenary Transformation Project, to transform how Africans are perceived in history.

The walk lasts 2 hours & is interactive. Questions and group discussions are welcomed, but steered by the walk-guide for timekeeping. Participation in discourse is of course optional. If you wish to simply come and absorb the rich information then this more than ok too.

The walk will go ahead, in sun and rain, each adding their own quality to the atmosphere of the stories. However, we advise walkers to wear/bring appropriate items for protection against the weather. There are plenty of sitting down points along the way

Note: The route is wheelchair accessible.
