It can be hard to find tradesmen to do small jobs around the house and to be confident that they are competent and their charges are fair.

Unless you have the resources to thoroughly check traders' credentials you will need to take them on face value or rely on recommendations. It can also be tempting to enter into private arrangements with handymen and gardeners but if this doesn't work out you have little recourse to get things put right.

Age UK Leicester Shire & Rutland offers professional, skilled and experienced help with domestic and gardening tasks. Whilst we can't offer an emergency call-out service, our response is speedy and will be competitively priced.

Our handyman and gardening service offers you:

- A high standard of work carried out in a friendly, efficient manner
- Competent, DBS (was CRB) checked staff, employed by us
- A no job too small approach to meet all needs
- Transparent, fair and pre-agreed pricing
- Pre-booked visits so you know when to expect the work to be undertaken

What we can't do:

- Any tasks over 3 metres high
- Any electrical, gas or plumbing work
- Install or repair PVC windows or double glazing
- Fit or repair central heating

As well as anything outside health and safety guidelines or not covered by our insurance.
