

DECLARATION of ELIGIBILITY TO WORK IN THE UNITED KINGDOM

PRIVATE & CONFIDENTIAL

UK Immigration legislation, in particular the Immigration, Asylum and Nationality Act 2006, is designed to prevent illegal working in the UK. To prevent illegal working it is necessary that employers carry out document checks on all prospective employees. These checks are required to ensure that employees demonstrate that they are eligible to work in the UK.

NOTE TO ALL APPLICANTS

If you are invited to interview and subsequently made a conditional offer of employment you will be asked to provide confirmation that you are eligible to work in the UK. We will need to see original documents before we are able to start the contract of employment. We will tell you which documents we need to see when we make the conditional offer of employment. If you are unable to provide documentation that establishes you have permission to work in the UK then Age UK Lindsey reserve the right to withdraw their offer of employment. It is therefore important that you bring in the documents that we ask for NOT LATER than the first day of your employment otherwise your start date will be amended to reflect the date on which we were able to verify your eligibility to work. These requirements to check documents apply to all potential employees regardless of nationality or eligibility type
