

Scams

If you are worried that you have been a victim of a scam or that somebody has tried to scam you, please contact the following authorities;

If you've lost money because of a scam report it to [Action Fraud](#), the national fraud reporting centre.

You can report the scam through online or by phone.

You'll need to provide as much information as possible, for example any names or other information about the scammer, dates and details about how the money has been lost or how you were threatened.

If you've been threatened with physical violence on your doorstep, you can report this to the police by calling **101**.

Action Fraud

Tel: **0300 123 2040**

Web: <http://www.actionfraud.police.uk>

Monday to Friday between 9am to 6pm
