

Thank you for your interest in the role of Trustee at Age UK Mid Mersey.

Our trustees are essential to our success as a charity. The Board of Trustees set our direction and hold staff to account, making sure we're always doing the best we possibly can for older people in our area. Age UK Mid Mersey are keen to appoint trustees who can embody our values and are dedicated and passionate about creating a fair and equal society for older people.

To become a Trustee, you don't necessarily need previous experience as a Trustee or of the charity sector. Our Board of Trustees have a great deal of personal and professional experience across a whole range of fields, including business, government, charity, finance, health and education. We continually strive for diversity on our Board and look for particular skills and specialist knowledge.

We ask our Board of Trustees to participate fully in the governance of the charity, including attending the six Board meetings per year, our Annual General Meeting and Strategy Planning Day. We also encourage support of our fundraising, sponsorship and charity events through volunteering, promotion and ambassadorship.

The Trustee Introduction Pack provides more detailed information about Age UK Mid Mersey and the role of a trustee. Once you have considered the contents, the next step would be for us to have an initial meeting to give you an introduction to our Trustee recruitment process and an opportunity for both parties to find out a little more.

If you have any questions about the content of the pack or would like to arrange an informal chat about the role and/or initial meeting, please contact my **PA Katie Barr** via email at **katiebarr@aukmm.org.uk**.

Yours sincerely,

Shelley Brown
