Fasten off and sew in end.

**making up:**

Make a large pompom with both colours either using a pompom maker or a fork. Sew it nice and securely to the top, in the centre, and trim if necessary.

Congratulations, you've made the hattiest hat of them all. We'll take one in human size.

**These patterns are just ideas to get you started. Feel free to try different colours, and come up with designs of your own. We love seeing your creations.**
