## Let's talk about death and dying - discover how to be a Compassionate Friend...

### **You can be a Compassionate Friend?**

We all know people who are going through a difficult time due to ill-health, care-giving, loss or bereavement. We often want to offer support, but don't always have the words or know how we can help. Becoming a compassionate friend will help to build the skills and confidence needed.

#### **Our workshops cover:**

- Understanding what a compassionate community is
- Dispelling myths and taboos about death and dying
- Communication skills and how to use them effectively
- Practical ways you can support or the offer of a friendly ear to make a difference

## **Support at Stalham Baptist Church**

Stalham Baptist Church has opened a Memories café in its refurbished School Room.

It is open on the last Monday of the month 10am to 12 Noon.

It aims to provide a welcoming social space where people with memory loss, and their carers, can gather to have a cuppa, enjoy a range of activities, make new friends and enhance their quality of life.

This provides an opportunity to meet others who face similar problems. Activities include games, music, jigsaws, painting, knitting, and baking. There are also “memory books” which can prompt those attending to reminisce.

Other groups at the Church include an over 55's group, a bereavement support group and warm space.
