The next Men's Woodland Project begins Tuesday 14th October in south Norfolk, near
Thurton on the A146

Applications to andy@menscraft.org.uk by 12:00, Tuesday 7 October

We all know the value to our mental and physical health of spending time in nature and making connections. The Men's Woodland Project is a six-session programme, on Tuesdays throughout October and November, offering men an opportunity to do this.

Activities will include green woodworking, cooking over an open hearth, mindfulness, forest bathing, guided walks in the woods. But most of all, the Project offers the opportunity to connect. We focus on building trust and support for one another by eating together and telling our stories around an open fire.

Past participants have said:

I enjoyed meeting new people and sharing stories as well as connecting with nature. All that helped enrich me.

As always, being in nature is hugely beneficial to my mental wellbeing... Also, the positive, accepting, caring environment you create within the group is a wonderful, restorative experience.

We do need to ensure that the project is suitable for individual applicants so we ask that you email Andy for an application form: andy@menscraft.org.uk. Return your completed form, after which Andy may call you to discuss your situation. Successful applicants will be informed and joining instructions sent to you on 7 October 2025. Call Andy on 07584 253 441 or 01263 732369 if you'd like to have a chat to find out more about what's involved.

When: Tuesdays 14, 21 and 28 October; and 11, 18 and 25 November (there is no session on Tuesday 4 November)

Times: 11am – 4pm

Getting there: It is helpful if you have your own transport, but the new site is reasonably close to a major bus route from Norwich and Lowestoft. Or we can arrange to pick you up from the Thurton bus stop.

Cost: Suggested donation of £20 for waged participants or £10 for unwaged and low-income participants, but pay what you can. Once your application has been accepted you can pay online or on the day.

Community Culture Club

(starting November ,but open to sign up now)

What is it?

Community Culture Club is a museum creative wellbeing programme for older adults (65+) including:

People living with dementia

Carers

People with long-term health conditions

People who are lonely or socially isolated

It's based at the Museum of Norwich at the Bridewell, right in the heart of the Norwich Lanes.

It is completely free to be a part of. It's a fixed-term programme of ten sessions and runs once a year, from November – February. We have worked with four cohorts of participants to-date. Each group size is capped at eight participants, to ensure a supportive staff: participant ratio.

What do you do?

Each of the ten sessions is themed around an object or objects in the museum's collections. We will do different creative activities together, inspired by the theme that week.

This could include activities like:

Painting

Clay work

Tasting foods

Handling historical objects

You do not need any past creative experience or historical knowledge.

We will provide all the materials needed for the activities.

There's also plenty of time to chat with other people in the group, to get to know each other.

Tea, coffee, fruit, and biscuits are provided at each session. We need to fuel our creativity!

"It's an opportunity for older people to re-discover their creative side, learn about the museum and the history of Norwich, and meet new people" – Community Culture Club participant

How do I join?

**Our next group will run November 2025 – January 2026.
We will open registration for participants in August 2025.**

If you'd like to express your interest for the next cohort:

Email: bridewellmuseum@norfolk.gov.uk

In your email clearly state:

Your name

Email address

That you are interested in Community Culture Club 25-26.

Support at Stalham Baptist Church

Stalham Baptist Church has opened a Memories café in its refurbished School Room.

It is open on the last Monday of the month 10am to 12 Noon.

It aims to provide a welcoming social space where people with memory loss, and their carers, can gather to have a cuppa, enjoy a range of activities, make new friends and enhance their quality of life.

This provides an opportunity to meet others who face similar problems. Activities include games, music, jigsaws, painting, knitting, and baking. There are also “memory books” which can prompt those attending to reminisce.

Other groups at the Church include an over 55's group, a bereavement support group and warm space.

Click on the link below to find the calendar of groups and activities.

The Bridge For Heroes

The Bridge for Heroes – a small charity with a big heart, supporting the Armed Forces community of West Norfolk and beyond.

We run a Drop-In centre on South Clough Lane, King's Lynn, and our doors are open from 10am until 4pm Monday to Friday, and from 10am until 2pm on Saturdays. We provide hot and cold drinks, home-cooked lunches, with a warm welcome and friendly conversation.

If you are a veteran or serving member of HM Forces, full-time or reserve, you are welcome to access our services. If you are the spouse, widow/er, parent, child or carer of someone who has served or is serving, we are here for you too. And we don't want to forget families separated through divorce or relationship breakdown. We do everything we can to assess need on a case-by-case basis, and it all starts with a brew and a chat!

Scan to sign up to our workshop

Let's talk about death and dying - discover how to be a Compassionate Friend...

You can be a Compassionate Friend?

We all know people who are going through a difficult time due to ill-health, care-giving, loss or bereavement. We often want to offer support, but don't always have the words or know how we can help. Becoming a compassionate friend will help to build the skills and confidence needed.

Our workshops cover:

- Understanding what a compassionate community is
- Dispelling myths and taboos about death and dying
- Communication skills and how to use them effectively
- Practical ways you can support or the offer of a friendly ear to make a difference
