## Heritage Open Days

**Heritage Open Days (HODs) is England's largest festival of history and culture and in Norfolk hundreds of venues participate.**

### **A county-wide collaboration**

Norfolk Heritage Open Days is made possible through a collaboration between venues, organisers, community partners and volunteers who work together to bring the festival to life for thousands of people. The Forum Trust proudly funds the coordination and promotion of Norfolk HODs each year as part of its charitable purpose, helping to ensure heritage is accessible to everyone in our community.

From historic buildings and cultural institutions to grassroots groups and local businesses, the festival thrives on the passion, creativity and generosity of those who take part.

## **Booking opens 10am on Wednesday 26 August**

All Heritage Open Days events are free for everyone! Due to limited capacity, some events must be pre-booked. Tickets are limited to 2 per booker per event, so as many people as possible can enjoy HODs! Most tickets can be booked online from Wednesday 26 August at 10am. Please check individual event listings for booking details. As well as the pre-booked events, there are lots of drop-in events to enjoy too! The online event directory is live, so you can browse the 250+ events that have registered for this year's festival! Events can be added online up to 13 August.

## **Falls Prevention Information from ROSPA**

In addition to removing hazards that could cause a trip, engaging in regular physical activity, to develop and maintain strength and balance, is also particularly important as we get older. Exercises designed to improve muscle strength, some of which are highlighted in the video, can reduce the risk of a fall by improving posture, coordination and balance.

**Lions Message in a Wallet**

Link to website-[Message in a Wallet - LIONS DISTRICT 105CE](#)

All Lions clubs have been associated with the Message in a Bottle scheme which was launched several years ago, however a relatively new project to supplement the Bottle scheme is now available via the Message In A Wallet. The Wallet scheme which has a similar form as in the bottles to contain an individual's Medical, Allergy details and contact details in an emergency etc. which is then contained in a plastic sleeve (credit card size) and placed in a Wallet, Purse or Handbag. The advantage of this scheme being if you are away from home and are in need of urgent medical treatment your details are readily available with you.

The Wallets have been recognised by the Emergency Services as another Lions project that assists them when an individual is in need of

**The Wallets have been readily accepted by all sections of the community including younger people who believe the wallets offer a service to everyone.**

Living well, dying well, never alone

**Let's talk about death and dying - discover how to be a Compassionate Friend...**

**You can be a Compassionate Friend?**  
We all know people who are going through a difficult time due to ill-health, care-giving, loss or bereavement. We often want to offer support, but don't always have the words or know how we can help. Becoming a compassionate friend will help to build the skills and confidence needed.

**Our workshops cover:**

- Understanding what a compassionate community is
- Dispelling myths and taboos about death and dying
- Communication skills and how to use them effectively
- Practical ways you can support or the offer of a friendly ear to make a difference
