

Age UK Norfolk Volunteer Roles Guide

Be a part of making Norfolk a great place to grow older

Registered Charity No. 1077097

About Age UK Norfolk

Age UK Norfolk is an independent, local charity. We have 75 years' experience of supporting older people and their families living in Norfolk. We raise our own funds and fundraise locally to provide vital services across the county.

Our relationship with other Age UK charities allows us to share knowledge and expertise, and to actively promote the wellbeing of older people through collective national and local campaigning.

We are proud to be Making Norfolk a Great Place to Grow Older.

How our volunteers help

We have volunteer roles that can be carried out from home, roles that involve visiting an older person in their own home and short-term volunteering. Every year, thousands of older people and their carers turn to Age UK Norfolk for support. Whether it's advice in a time of need, help filling out complicated forms or a friendly chat when they're lonely, we are here to help.

But we couldn't do it alone. Our dedicated team of volunteers are the backbone of our organisation and without their help; we simply would not be able to deliver all the services that we do.

Experience is not always necessary, and whatever your talents and interests, there is likely to be a voluntary opportunity where you can share your knowledge, make new friends and make a real difference to the lives of older people in Norfolk.

Befriending Volunteer Role

Age UK Norfolk's Befriending service offers a lifeline to many older people who would otherwise feel lonely and isolated. Our Befriending service is a chatty, friendly, weekly call and is the building of relationships with an older person(s) and passing on requests for other support. It sounds simple, but it makes a significant impact.
