The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives**

The object of the charity as stated in its Articles of Association, is to promote the relief of elderly people in and around North Craven ("the area of benefit") in any manner which now is or hereafter may be deemed to be charitable in law.

##### **Activities and performance**

We are an independent, local charity which has been supporting older people in Settle & North Craven for over 30 years. We have six local trustees; all the money we raise is invested back into supporting older people locally.

Age UK North Craven raises monies from operating two shops, with ancillary trading activities. It has contracts to deliver support and services and successfully applies for grants to deliver specific projects. It has an income stream from fees and services provided. Other income comes from fundraising activities, donations and legacies

The range of services delivered includes:

- Lunches and Coffee mornings
- Information and Advice
- Support to remain independent
- Digital and IT support
- Dementia Support
- Bereavement Support
- Volunteer Car journeys to health appointments
- Minibus shopping shuttles
- Minibus leisure trips
- Community Allotment
- Wheelchair loans
- Walking sports activities
- Health and Fitness classes
- Supported volunteering

Age UK North Craven has over two hundred registered volunteers and relies on this incredible local resource to deliver the wide range of services. The charity employs a part-time volunteer co-ordinator to support volunteer recruitment, induction and training.

### Report of the Trustees for the Year Ended 31 March 2022

#### ACHIEVEMENT AND PERFORMANCE

##### Achievements and Performance

This time period follows the second year of the Pandemic period. This time included many issues and challenges to operating. The rules relating to numbers meeting and visiting venues evolved over the year and impacted on our delivery of services and in our shop operations.

The services provided during this period evolved over time, we tried to help people to remain as independent as possible and to develop long term options for living, that gave them back control over their lives.

The immediate response support gave way to supporting the move back to a normal life, this included helping people to get out and about again, building confidence to get out and do things again, helping get people physically fitter and able to do more.

During this period we were supported financially by North Yorkshire County Council to actively support both local groups and organisations to come through the pandemic, but also to support vulnerable individuals to enable as much independence as possible. We took on the role of supporting other organisations within Craven to take on this role throughout the District.

We gradually managed to re-open the whole range of services we offered before the Pandemic, some services still offered virtual support if that was the preference of the volunteers or clients.

The income for the year held up remarkably well, the shops were managed to maximise their potential, to offer longer opening hours and to do all they could to deliver income to the charity. The charity also benefited from a range of grants and donations available to manage through the Pandemic and to support people and communities to come through the difficult time and to resume normal living.

#### FINANCIAL REVIEW

##### Investment policy and objectives

The Board of Trustees has the power to invest in such assets as they see fit, with appropriate professional advice.

##### Reserves policy

The results for the charity are set out within the accompanying Statement of Financial Activities and the notes to the Accounts.

During the financial year Age UK North Craven had an overall income of £455,848 of which £319,723 was attributed to Unrestricted funds and £136,125 to restricted funds.

The Reserves policy has been built up to cover evaluated risks, sums have been allocated to cover specific operational and strategic risks and to enable appropriate investment. The total sum also enables the charity to have sufficient funds to operate without income for 12 months and close down the charity if needed.

The Reserves Policy is reviewed each year by the Board, the current requirement is set at £234,000 in Reserves.

The current level of Free Reserves is £313,146 which the Trustees consider to be absolutely appropriate within the existing challenging times.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

##### Recruitment and appointment of new trustees

Trustees are appointed at the Annual General Meeting, following nomination, or may be co-opted by the Board of Trustees during the year, in accordance with the constitution.

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## AGE UK NORTH CRAVEN

### Notes to the Financial Statements for the Year Ended 31 March 2022

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

##### **Pension costs and other post-retirement benefits**

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### **Government grants**

Grants are accounted under the accruals model. Grants relating to expenditure on tangible fixed assets are credited to the profit and loss account at the same rate as the depreciation on the assets to which the grant relates. The deferred element of grants is included in creditors as deferred income.

Grants of a revenue nature are recognised in the profit and loss in the same period as the related expenditure. Grants of a revenue nature for which there are no future performance-related conditions and costs are recognised as income in the period in which they become receivable.
