Age Uk North Craven is a charity with a mission to assist in transforming the opportunities, experiences and support given to the elderly in our local communities.

We help the elderly in the community with support when times are hard, with independent living and by offering activities and transport which allow the elderly to try something new.

We have the two shops which supply funds for our increasing support to the community, but also offer a support to our elderly with their use as a volunteering platform which in turn offers social rewards to our volunteers.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

We are an independent, local charity which has been supporting older people in Settle & North Craven for over 30 years.

Achievements and performance

a. Main achievements of the Charity

Age UK North Craven continues to be busier and do more year on year. The demands for our vital support when people are at their most vulnerable and in need grows and grows. The responses have pushed our staff and resources to the limit, but the results and difference we make, makes it worth it.

The investment in supporting peoples longer term health and well-being, including enabling new activities to keep people active, connected and learning new skills continues and we have more people participating and more groups planning activities that are welcoming and suitable for older people.

Transport continues to be busy and we enable over one thousand journeys with the volunteer car scheme.

We continue to support the Craven Food Partnership and enable food and resources to reach the community pantries and fridges, as well as being a hub for the Skipton Food Bank.

We have been working hard to support and influence bodies that have a responsibility for providing health and care in our area, we participate in health partnerships and actively support bodies to be better providers in North Craven.

We actively work with the wider community and voluntary sector in Craven to support our partners, to enable them to understand and serve older people better.

None of our work or achievements would be possible without our amazing staff team and our equally amazing volunteers, we have around 200 people who support us ranging from our Board of Trustees enabling our governance and strategy, our drivers and couriers, our activity leaders, our Befrienders, our administrative support volunteers and last and most certainly not least our shop volunteers who enable us to achieve such large levels of income from our shops.

During this busy year we also managed to invest in our main shop, refurbish, redecorate and put in new flooring. We have been working on the procurement of a new retail EPOS system that has also impacted on our staff time and resources.

In summary we have managed to deliver the increasing support needed and managed to continue to deliver our charitable purposes and support older people and their families in North Craven.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than
 any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of
 an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work on this report.

The company's registered number and registered office address can be found in the Reference and Administrative details. Being a company limited by guarantee each member is liable for a maximum of £1 should the charity be wound up.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

It meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The financial statements have been prepared on the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.4 Expenditure (continued)

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Fixtures and fittings	- 25%	on reducing balance
Office equipment	- 25%	on reducing balance
