

Background and structure

EveryDay Care & Support is a social enterprise wholly owned by Age UK North Tyneside. We support adults in North Tyneside and Newcastle to live independently and make more of life. All of our profits go back to supporting the incredible work carried out by Age UK North Tyneside.

EveryDay Care & Support's services are varied and range from care at home, respite for carers, specialist dementia care, companionship, support around the home, and domestic cleaning, through to specialist healthcare for long-term conditions and end of life care.

Our structure

Head of EveryDay Care & Support

As a member of the Senior Leadership Team within the Age UK North Tyneside Group, our Head of EveryDay Care & Support leads on the provision of all professional care and support services. They are also the CQC Registered Manager.

EveryDay Senior Operations Manager

Our Senior Operations Manager supports the Head of EveryDay Care & Support in the strategic operational management and development of the company with specific operational responsibility for the performance and business development of the company.

EveryDay Area Managers

Our Area Managers assist the Head of EveryDay Care & Support in ensuring the effective and efficient provision of a quality domiciliary Care at Home Service. They line manage teams comprising Area Coordinators, Team Leaders and Personal Support Assistants. The Area Managers lead and motivate both staff and volunteers, and manage the performance of the team including financial, staff and service performance and work to achieve key performance indicators set each year.

EveryDay Project Manager

Our Project Manager assists the Head of EveryDay Care & Support in ensuring the effective and efficient provision of a quality domiciliary Care at Home Service.
