

## Executive Team Structure

### **Group Chief Executive - Dawn McNally**

Dawn is accountable to the Trustee Board and works with the Chair and members to ensure effective governance and stakeholder accountability, including regular reporting on progress and performance against agreed strategies and ensuring compliance with legal and regulatory requirements.

### **Group Chief Operating Officer - Michelle Adams**

Michelle oversees the design, enhancement, implementation, reporting, and oversight of the Group's financials, operations, human resources and compliance. Reporting to the Group Chief Executive and working as a key member of the Senior Leadership Team, Michelle takes a leadership role in building, implementing, and overseeing all of the Group's systems, processes, workflows, and procedures.

### **Executive Assistant - Deborah Hall**

Deborah provides support to the Executive and Leadership Teams with organisation, including scheduling, correspondence and meetings. She also takes responsibility and ownership of office organisation, project management, deadline compliance, and important documents and files. Deborah works with the Executive and Leadership Teams to help facilitate internal communication across the Group and provides a comprehensive secretariat service to the Board of Trustees and its subsidiary and associate companies as necessary.
