To maintain a clean and safe creative space and minimise the risk we will make sure all appropriate safety measures are in place. This will include hand washing and the use of hand sanitiser and maintaining social distancing. **PLEASE NOTE** All workshop staff and participants will be required to wear a face mask or face covering. If you or a member of your household has tested positive for COVID - 19 or has any symptoms please follow the government guidelines and do not come to the workshop.

Our aim is to raise awareness of positive mental health and wellbeing through the arts. Details of workshops and online events can be found here:
