Dear Resident

Palliative Care Project

We would like to invite you to one of local discussion groups, to be opened by Dr Kathryn Hall, one of our North Tyneside GPs, who is leading on this project.

The project is looking to improve communications between services for patients who are living with a long term or life limiting illness/disability, first of all in North Tyneside and then further afield.

We would like to involve you in the project to gain some understanding of your expectations and experiences, so that we can plan for and improve opportunities for services in the future.

The events will be held at the four venues listed below.

Please choose the one most convenient for you and let us know if you can join us by calling: **0191 295 4233** or emailing michele@chcf@btinternet.com
