# BE ALERT TO VACCINE FRAUD

Criminals are using the COVID-19 vaccine as a way to target the public by tricking them to hand over cash or financial details. They are sending convincing-looking text messages letting people know they are eligible for the vaccine or phoning people directly pretending to be from the NHS, or local pharmacy.

**PEOPLE ARE WARNED TO BE ALERT TO THESE SCAMS**

The **NHS** will:

- ⊗ NEVER ask for payment - the vaccine is free
- ⊗ NEVER ask for your bank details
- ⊗ NEVER arrive unannounced at your home to administer the vaccine
- ⊗ NEVER ask you to prove your identity by sending copies of personal documents such as your passport
